CARTE POSTALE. POSTKARTE.

By Appointment.

Liverpool Street Station is the London terminus of the Great Eastern Railway, from which there is an excellent service of trains to Harwich (for the Continent) and to the towns on the East Coast of England. It is one of the largest stations in London, and besides its main line traffic, from here emanate the suburban lines for Ilford, Epping, and other Essex residential centres. The suburban traffic is enormous.
